

The background of the image is a painting of a dramatic sky. A crescent moon is visible in the upper center. Below it, a large, dark, textured cloud formation, resembling a mountain peak, dominates the center. The sky is filled with various shades of blue and white, with smaller clouds scattered throughout.

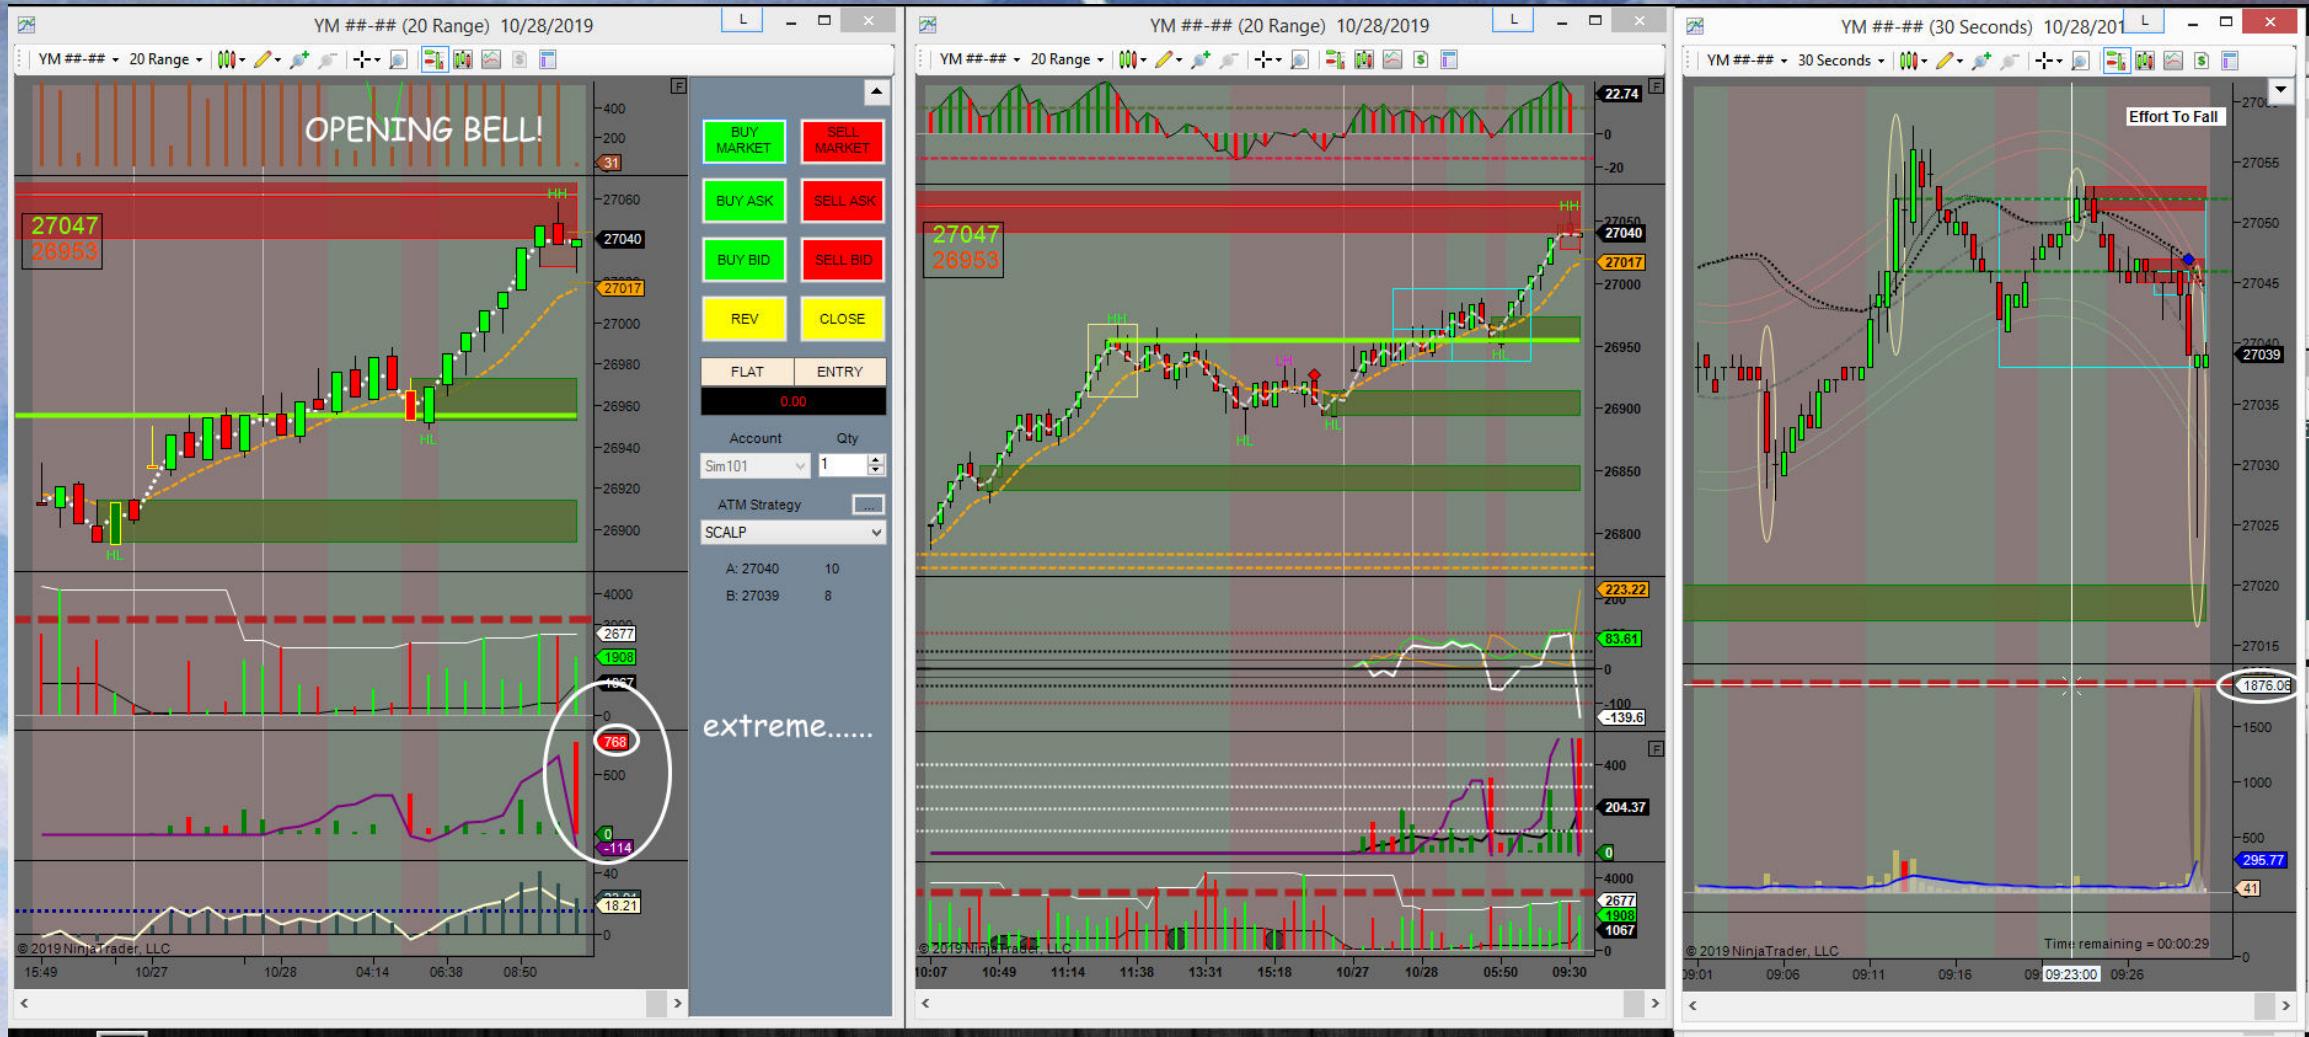

5th Week of October

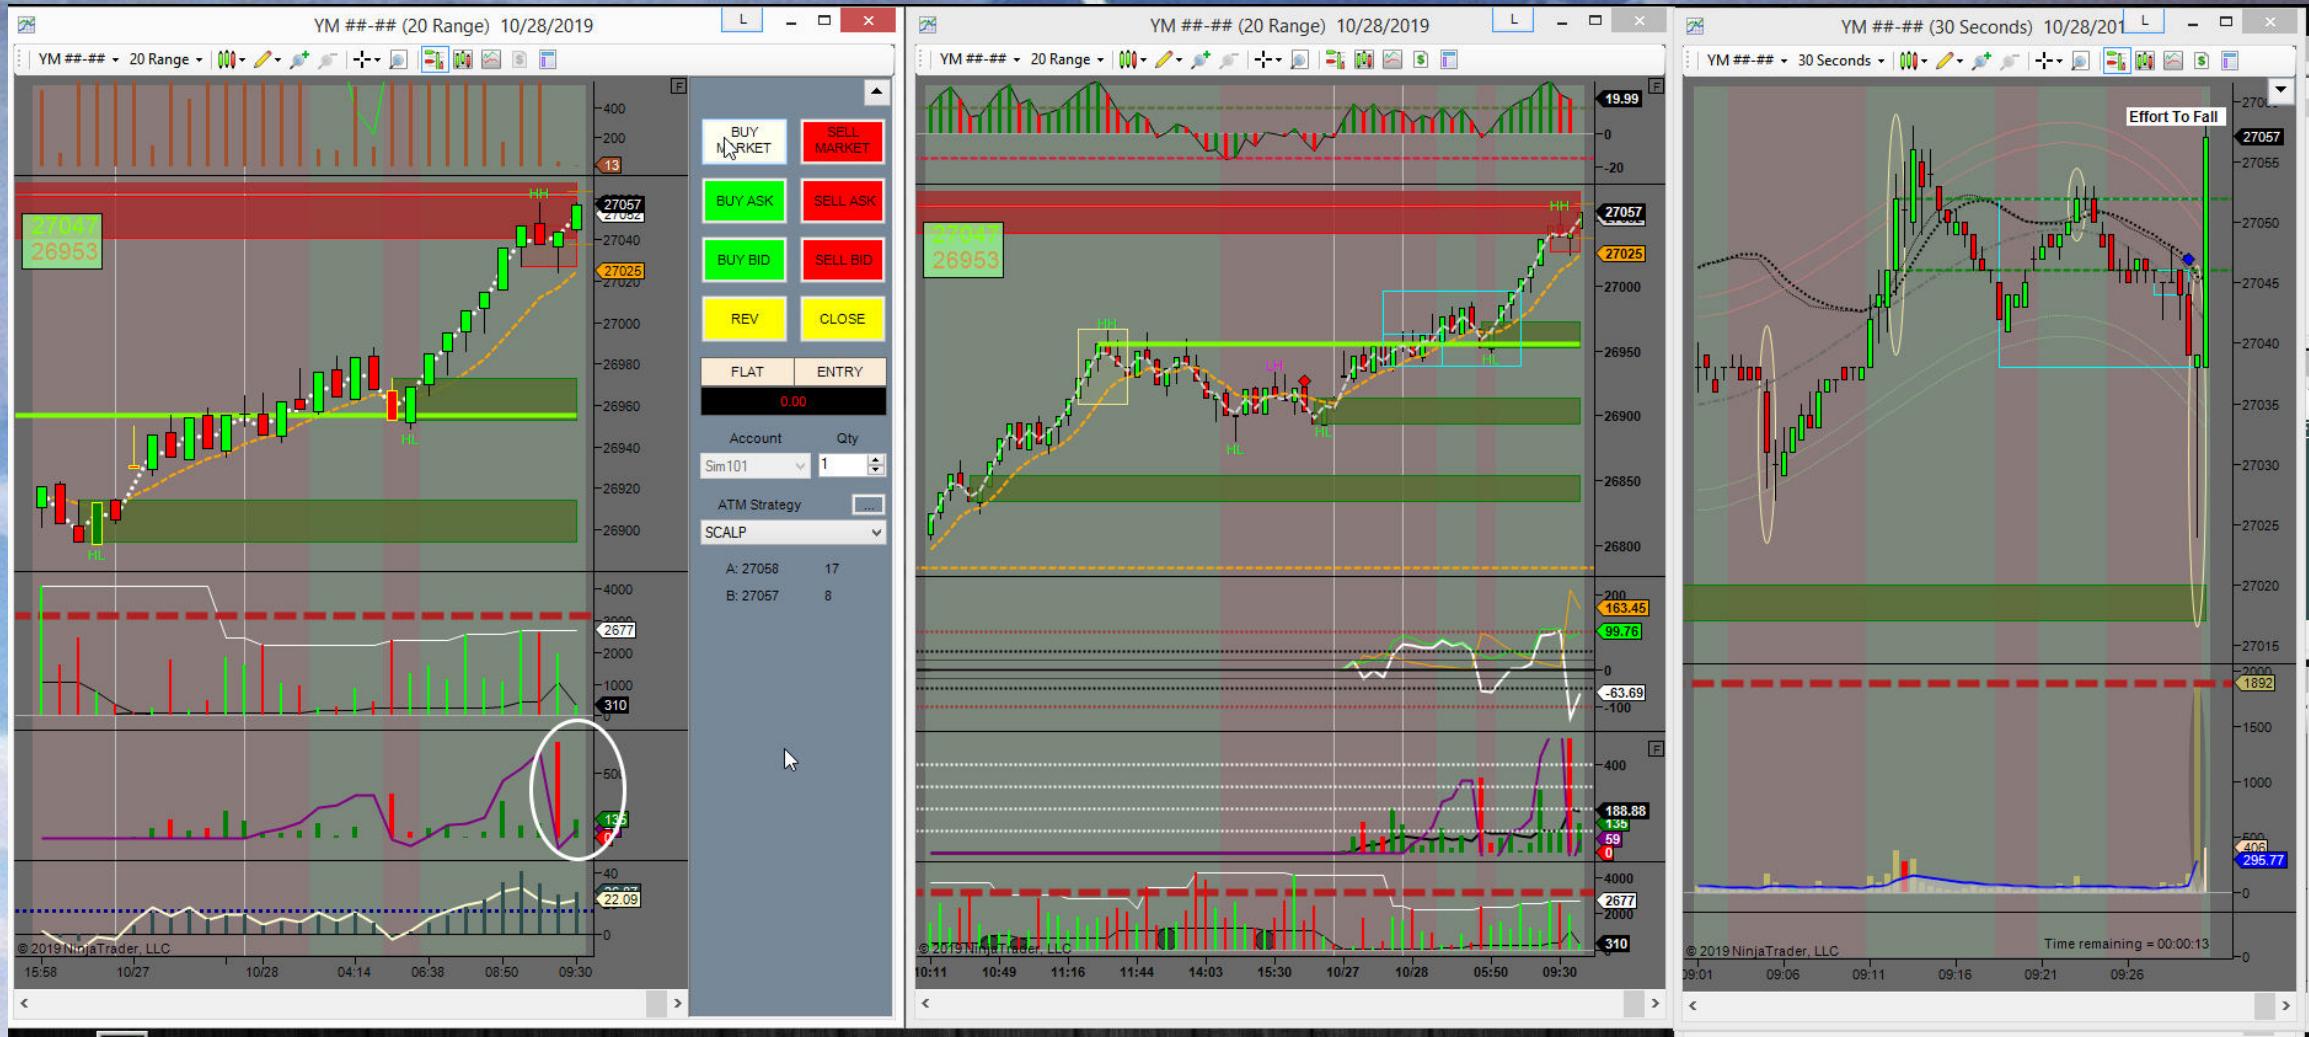

10/28/19-11/1/19

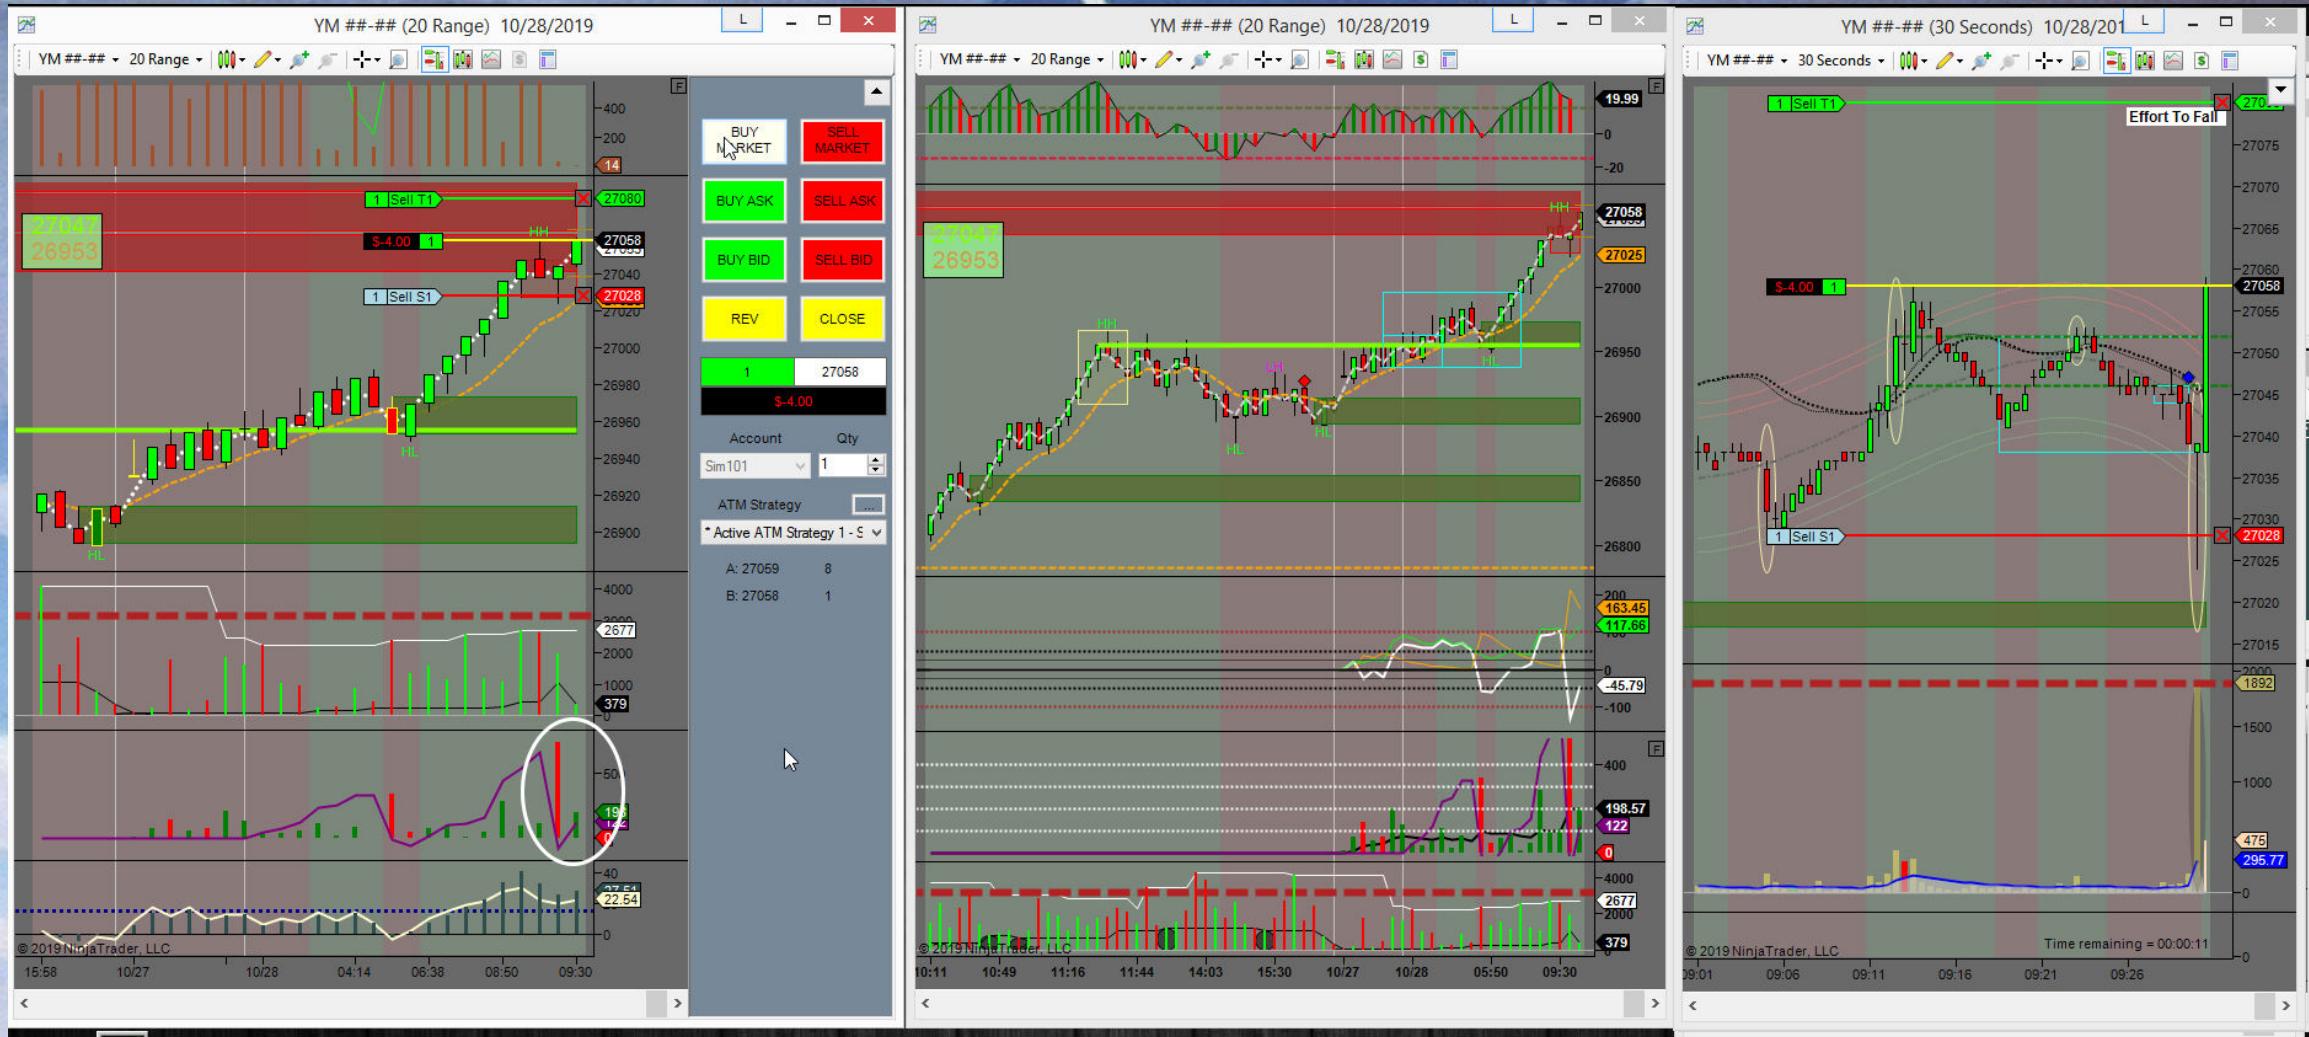

YM ##-## (Daily) 5/2/2019 - 10/28/2019
