

The background of the image is a soft-focus photograph of a city skyline at night. The lights from buildings and street lamps are reflected in a body of water in the foreground, creating a mirror-like effect. The colors are predominantly warm yellows, oranges, and reds, with some cooler blues and greys in the sky and water.

# Trading 2nd Week of July

(07/11/22 - 07/15/22)
