

The background image is a dramatic painting of a stormy sea. The upper half features turbulent waves in shades of grey, white, and blue. A small, dark boat with a single figure is visible in the center-left. In the lower right, there is a large, intense red and orange area, possibly representing fire or a massive wave crashing. The overall mood is one of chaos and drama.

Trading 4th Week of August

(08/22/22 - 08/26/22)
